Commissioner for Patents

Applicant's amendment filed after Advisory Action has been received. Although claims 1-15 and 22-25 may be allowable, the quality of the copy of the claims is very poor. The examiner afread that the patent if issued, may have many errors due to the poor quality of the copy of claims. In view of the foregoing reason, the examiner gives applicant 30 days to re-submit a clean copy of claims with good quality of character printing.

Formal drawing is also required.
